NEW: "Document On Demand" Search

Viking wants to make it easy for you to get the product information you need, so we've added a new search to our website called "Document On Demand" (DOD). All Viking catalogs and literature have "Fax Back Numbers" to allow information to be faxed to you through our automated system, now the same numbers can be entered on our homepage for a direct link to product cut sheets.

One number, two ways to get information:
Online or FaxBack,
715-386-4345

Document on Demand:

Look for DOD numbers throughout this catalog!

Prices are suggested trade net: Verify pricing with your distributor.

How to Contact Us:

Information: 715.386.8861

Online: www.vikingelectronics.com

Email: info@vikingelectronics.com

FaxBack: 715.386.4345

All Viking products are in-stock nationwide through distributors listed on the back cover.

Get a NEW Viking CD to Compliment Your 2009½ Catalog!

Viking's 2009½ CD is now available. The CD includes the 2009 catalog, 2009½ catalog, cut sheets, images, technical info, application notes and more!

To stay informed, request a FREE copy of the Viking CD. Simply call, email or visit us online.

Automated Voice Message Delivery System

Model K-6000-DVA can automatically notify up to **1000** people of an event cancellation, school, business closing or delayed opening!

The **K-6000-DVA** is designed to connect to a standard analog CO line, PABX station or VoIP ATA or FXS port. To activate the unit, an authorized official calls the **K-6000-DVA**, dials a 6 digit access code, selects a pre-recorded message or records a live message up to 1 minute, then activates the unit via a touch tone command to automatically call all the phone numbers in a pre-programmed group. Up to 6 groups of phone numbers can be preprogrammed into the unit. Alternatively, activating an "All Call" commands all preprogrammed numbers be called.

Model K-6000-DVA

Model	DOD#	Price
K-6000-DVA	307	\$429.00

Applications

- Schools
- Churches
- Businesses
- Government /Community
- Civic Organizations
- Apartment /Office information and notification, ie; snow removal, carpet cleaning, etc.

For faster calling multiple units and phone lines can be used to form a "phone tree."

Model	DOD#	Price
E-60 Series	206	Check with Distributor
E-65 Series	203	
E-70 Series	207	
E-75 Series	208	

When installing E Series door entry phones outdoors, always use the EWP version – See 2009 catalog page 9

Ring Shape Conditioner/Power Booster

- For applications behind IP and digital phone systems

24 Line 19" Rack Mounted Ring Shaper/Booster

1 Line Wall Mounted Unit

RG-224 Rear View

Model	DOD#	Price
RG-224	418	\$1,690.00

Designed for applications requiring higher ring voltage, higher ring power (up to 4 REN per line) or a sine wave (vs. square) ring signal.

Often IP phone systems when used with Legacy phones, loud bells, strobes, etc. do not ring the older equipment loud enough or in some cases, operate them at all.

Viking's single line **RG-4** and 24-line **RG-224** ring shaper/booster puts the ring power back into your installation.

Model	DOD#	Price
RG-4	416	\$80.00

Entry Phone Controller With Call Forwarding and Door Strike Control

- Answer the Door...from Anywhere

The **C-250** Controller allows single line telephones or a telephone system to share a phone line with a Viking door entry phone. Tenants may answer an entry phone call, converse with the visitor and let them in with a touch tone command. If you're not home, the **C-250** can connect the door entry phone to your cell phone, office phone, etc. You can converse with the visitor and, if you wish, let them in.

Model	Description	DOD#	Price
C-250	Entry Controller	172	\$229.00

Smart Touch Tone Dialer with Redialing

The **K-1900-30** is an automatic dialer that dials a 1-20 digit phone number, and can be programmed to call up to 4 additional phone numbers if the line is busy, or is not answered. The **K-1900-30** can be used to add the smart dialing features of a Viking Model **E-30** to other non-dialing **E-Series** or **K-Series** phones, or any analog phone.

The **K-1900-30** connects to an analog CO line, PBX station or an FXS port of a VoIP adapter. Programming can be done locally, or remotely by calling the unit.

Model	DOD#	Price
K-1900-30	300	\$104.00
