SL-1

Strobe Light

March 11, 2010

Blue Lens, High Power, Weatherproof Strobe Light

The **SL-1** is a 1 million candlepower blue lens weatherproof strobe light that is designed to get immediate attention for emergency phones or residences when used in conjunction with the **SC-911** Strobe Controller.

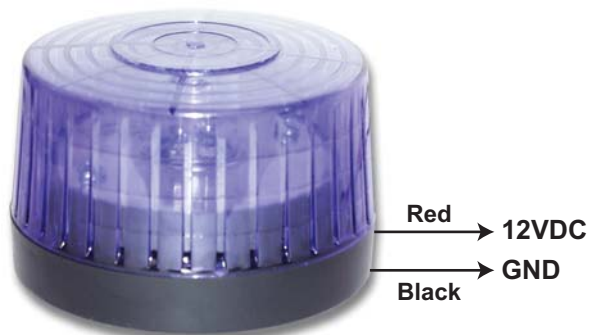

A strobe light can get help to you when you need it most, providing the emergency services with a clearly visible beacon to locate you as fast as possible, and also alerting people nearby and medical personnel of your need for assistance.
